

## Dunlap girl suffocates in bean bin

DUNLAP — Christine Roberts, ten-year-old daughter of the Barney Murphys of Dunlap, suffocated in a bean bin at her grandfather's farm Thursday (Oct. 15).

Harrison County Sheriff's Department said the victim was in an overhead bin with a nine-year-old cousin when the ac-

cident occurred about 4 p.m.

The grandfather, Robert Roberts had opened the bin's spout to remove beans, causing the victim to fall across the spout, said Sheriff Merle Sass. The child was dead at the scene.

It was the second such accident in Harrison county within a week. Clinton Lary, four-year-old son of the Gary Larys of rural Logan, suffocated Oct. 12 in load of corn being picked by his father.
