FEBRUARY 20, 2015

Jeannie Jensen received word that her great-uncle, Harry Grote, died Feb. 2 in

California. He would have been 100 years old Feb. 7, and a big party was planned for the occasion. His daughters felt that "Uncle Harry" would have wanted them to have the party anyway, so on his birthday, they had the party after visitation at the funeral home. His funeral was held in Fallbrook, CA, the following week.
